MESSAGE

I am happy to note that 8th edition of IndiaMART Hardware & Tools Expo 2009 and IndiaMART Fastener Expo 2009 is being organized by Unitech Exhibitions Pvt. Ltd. from 20th to 22nd December, 2009 at Bombay Exhibition Centre, Mumbai. It is really appreciable that the exhibition is envisaged to showcase a large range of Hand Tools, Power Tools & Fasteners from India & abroad. This event shall be an ideal place for future-oriented information exchange, discussions on buying-selling, decisions and investments in this field.

Small enterprises in India, with their dynamism, flexibility and innovative drive are increasingly focusing on improved production methods, penetrative marketing strategies and modern scientific management capabilities to sustain and strengthen their operations. It has been NSIC's endeavour to enhance their competitiveness through its various programmes in the area of marketing, credit and technology and make them globally competitive.

I am sure that concerted efforts of the organizers shall ensure this exhibition to surpass the success of its previous editions. I look forward to all the exhibitors and visitors from India and abroad deriving maximum benefit from this platform.

I commend the initiative of organizers of this event and wish them a grand success.
